DESCRIPTION

This highly concentrated cleaner degreaser can be diluted to take care of all of your kitchen cleaning needs. Kitchen Degreaser works on a wide variety of messes from your toughest grease buildups to regular daily cleaning. Its versatility makes it a great choice as an all-purpose cleaner and degreaser.

KITCHEN DEGREASER

CODE: ENV-1007

USAGE

Heavy duty degreasing: Mix 1 part cleaner to 5 parts water

Regular cleaning: Mix 1 part cleaner to 10 parts water

Light cleaning: Mix 1 part cleaner to 40 parts water

Dilute according to your cleaning requirements as suggested above. Spray on surface to be cleaned and wipe with a microfibre cloth. Food contact surfaces should be rinsed with potable water.

*Note: Suggested dilution rates are general and can be adjusted to suit your needs depending on soils and grease buildup.

NO ANIMAL TESTING + INGREDIENTS

Safe and effective cleaning products can be made completely cruelty-free. We perform no animal testing and none of our ingredients contain animal products or by-products.

**BIODEGRADABLE
OECD 301D**

SHELF LIFE: 1 year minimum after opening

ACCESSORIES

ITEM:	CODE:
Microfibre cloths (blue)	KAR-15209160
Sprayer	RAW-TS100
Spray bottle	RAW-B95E

PACKAGING

This packaging is made from high density polyethylene (HDPE) one of the most commonly and easily recycled plastics!

Concentrated products save on packaging, energy, and emissions associated with transport. Instead of shipping mostly water, we are sending you a super concentrated product that you simply dilute with tap water. This allows us to pass the savings on to you!

AVAILABLE IN: 4L, 20L, 205L

PRECAUTIONS

Wear protective gloves and eye protection when dealing with concentrated product. For more information or Safety Data Sheets (SDS) please contact us or see our website.
