DESCRIPTION

When laundry looks dingy, reach for the bleach! Get brighter, cleaner laundry with Laundry Bleach 6%. Formulated to break down dirt and stubborn stains to revive the brightness of your whites.

LAUNDRY BLEACH 6%

CODE: ENV-1108

USAGE

Always check fabric for colorfastness before using bleach. Add bleach to dispenser if available. If dispenser is not available, add bleach to water 5 minutes after wash cycles begins. Never pour bleach directly onto clothes.

Check garment care label first.

- 1) Add detergent 
- 2) Add Bleach to washer as directed in table below.
- 3) Add clothes to washer.

Washer	Fill to the line
Standard washer	120 mL
Commercial washer	240mL

*For heavily soiled clothes or if you have hard water increase dosage as necessary

Safe and effective cleaning products can be made completely cruelty-free. We perform no animal testing and none of our ingredients contain animal products or by-products.

BIODEGRADABLE
OECD 301D

Phosphates are the leading driver of algal blooms in lakes. Blooms can release toxins and result in massive fish kills. You will not find phosphates in any of our products!

Greenish yellow

STORAGE

Store in a dry, cool, well-ventilated area

Store away from direct sunlight and heat

Do not allow to freeze

Store in original container with closed lid, away from incompatible materials such as strong acids and ammonia.

SHELF LIFE: 1 year minimum after opening

PACKAGING

This packaging is made from high density polyethylene (HDPE) one of the most commonly and easily recycled plastics!

Concentrated products save on packaging, energy, and emissions associated with transport. Instead of shipping mostly water, we are sending you a super concentrated product that you simply dilute with tap water. This allows us to pass the savings on to you!

AVAILABLE IN: 4L, 20L, 205L

PRECAUTIONS

Wash thoroughly after handling. For more information or Safety Data Sheets (SDS) please contact us or see our website.
