STORAGE

Store in a dry, cool, well-ventilated area

Store away from direct sunlight and heat

Do not allow to freeze

Store in original container with closed lid, away from incompatible materials such as strong acids.

SHELF LIFE: 1 year minimum after opening

PACKAGING

This packaging is made from high density polyethylene (HDPE) one of the most commonly and easily recycled plastics!

Concentrated products save on packaging, energy, and emissions associated with transport. Instead of shipping mostly water, we are sending you a super concentrated product that you simply dilute with tap water. This allows us to pass the savings on to you!

AVAILABLE IN: 4L, 20L, 205L

PRECAUTIONS

Wash thoroughly after handling. For more information or Safety Data Sheets (SDS) please contact us or see our website.
