# PROTECTO FURNITURE POLISH

## DESCRIPTION

Protecto dusts, cleans, and polishes with no wax build-up. A simple spray on and wipe off does the job. Enhances the beauty of fine furniture and other wood surfaces. Protects against water spills, stains and ordinary wear. Contains a rich blend of refined waxes, lemon oil and cleaners.

## USAGE

**DIRECTIONS:** Shake can before using. Remove cap and hold container 6 to 8 inches from surface being sprayed. Push button, spray lightly and wipe immediately with a soft clean cloth. For antiques and pieces where the finishing process may be old or unknown, use on an inconspicuous surface area first. To polish chair rungs, table legs or other small areas, spray directly on cloth and wipe the surface. Use in the same manner to REMOVE STAINS, SMUDGES and FINGERPRINTS. Avoid overspray on flooring as surface may become slippery.
