DESCRIPTION

Vinyl Sheen is a highly concentrated silicone based vinyl, leather and plastic restorer and protector. It effectively bonds to the surface to aid in the prevention of damage due to UV rays. It also repels dust and dirt, leaving a lasting shine. Not recommended for use in body shops.

VINYL SHEEN

CODE: ENV-226

USAGE

Easy to use; simply spray on the surface and wipe off with a microfibre cloth, or spray on cloth and wipe surface. For stubborn stains a second application may be needed. Do not over apply. Wipe off excess.

APPLICATIONS

Vinyl, convertible tops, automotive interiors, furniture, matting, restaurant booths

PROGRESSIVE CHEMISTRY

Our specially formulated Vinyl Sheen brightens surfaces and keeps your car interior looking better for longer. This non-toxic, non-flammable, and noncorrosive product provides superior UV protection while repelling dust, dirt, and stains.

NO ANIMAL TESTING + INGREDIENTS

Safe and effective cleaning products can be made completely cruelty-free. We perform no animal testing and none of our ingredients contain animal products or by-products.

READILY BIODEGRADABLE

LAST UPDATED: 10.6.2019

HSC-2512Y	Microfibre cloth yellow

PACKAGING

This packaging is made from high density polyethylene (HDPE) one of the most commonly and easily recycled plastics!

Concentrated products save on packaging, energy, and emissions associated with transport. Instead of shipping mostly water, we are sending you a super concentrated product that you simply dilute with tap water. This allows us to pass the savings on to you!

AVAILABLE IN: 1L, 4L, 20L

PRECAUTIONS

Use good industrial hygiene.

For more information or Safety Data Sheets (SDS) please contact us or see our website.
