# DRAINEX

Our special blend of bacteria and enzymes clean and maintain drain lines with regular use. Over time drain lines naturally experience organic build-up and require regular maintenance to remain clean and free-flowing. Drainex is easy to use, readily biodegradable and safer for you and the environment than harsh acid cleaners.

CODE: ENV-611

## APPLICATIONS

Toilets, sinks, showers, bathtubs, laundry tubs, drain lines, holding tanks, septic tanks, grease traps

## USAGE

Liquid Drainex requires no preparation, simply pour down your drain and allow maximum dwell time to allow the microbes and enzymes time to degrade the organic matter and build-up.

**Sinks and Drains:** Use 120 mL twice per week

**Wash Basins, Shower Stalls, Bath Tubs:** Use 120 mL weekly

**Garbage Disposals:** Use 60 mL daily

## PROGRESSIVE SCIENCE

This environmentally friendly and effective biological treatment product contains **4 billion** bacteria per gram! Our formula contains multiple strains of bacteria specially selected to breakdown different types of organic matter, from fats and oils, to proteins and starches.

Safe and effective cleaning products can be made completely cruelty-free. We perform no animal testing and none of our ingredients contain animal products or by-products.

## SPECIFICATIONS

Physical form	Liquid
Colour	Green
Odour	Green apple
pH (1 g/L solution)	8.0 - 9.0
Flammability	Non-flammable

## STORAGE

Store in a dry, cool area

Store away from direct sunlight and heat

Store away from harsh chemicals.  
Keep out of reach of children.

**SHELF LIFE:** minimum 1 year after opening.

## PACKAGING

**AVAILABLE IN:** 1L, 4L, 20L, 205L

## PRECAUTIONS

Avoid eye and skin contact.
