DESCRIPTION

Ultra Strip works fast to remove heavy build-up, wax and polishes from most commercial and residential floors. This ammonia free, alkaline, low foaming formula can be applied with a mop or scrubbing machine. Save time and money with this super concentrated floor stripper.

ULTRA STRIP

CODE : ENV-734

USAGE

Dilute 1 part product with 6 parts of water. Apply liberally with a mop and let it sit for approximately 5 to 10 minutes. **DO NOT allow to dry.** Remove with a mop using an agitated motion. More than one application may be necessary depending on the condition of the floor. Rinse the floor with cold water. Ultra Strip quickly combines with the finish or wax allowing it to be picked up with a wet vacuum, automatic machine or floor mop.

******BE SURE TO KEEP THE SURFACE WET******
