# SPRAY & WIPE

CLEANER & DISINFECTANT

NETTOYANT & DÉSINFECTANT

## DESCRIPTION

This hard surface cleaner and disinfectant immediately starts to dissolve stains and soils, and cuts through dirt, grime and greasy messes with ease. This ready to use disinfectant is ideal for use in bathrooms, kitchens and anywhere mild cleaning and disinfecting is needed. Kills 99.99% of bacteria/fungi/viruses.

## USAGE

### Areas of use: Industrial/Institutional, Food Processing, Barns

**Directions for use:** For use on hard, non-porous surfaces including floors, walls, countertops, appliances, tools, tables, handles. For disinfecting, spray area and allow surface to remain wet for 10 minutes before wiping or let dry. Rewet surface if necessary. Pre-clean heavily soiled areas.

For hard surfaces and/or objects that may come into direct contact with children at the mouthing stage of development, a rinse with potable water is recommended.

Remove all animals/poultry and their feed from premises prior to disinfection. Remove all heavy soil, such as urine and fecal matter, from hard surfaces and objects prior to disinfection. Empty all feeding and watering appliances prior to disinfection. Following disinfection, do not house animals/poultry until areas have been ventilated. All surfaces and/or objects that will contact feed or drinking water should be rinsed with potable water before reuse.

Avoid contact with food. For sprayed surfaces or objects that may come in contact with food, rinse surface prior to use.

## ACCESSORIES

DESCRIPTION:	CODE:
Microfibre cloth blue	HSC-2512B
Trigger sprayer	RAW-TS100
EnviroWay spray bottle	RAW-B95E

## RECOMMENDED STORAGE

Store in a well-ventilated place.

Do not allow to freeze

Store away from direct sunlight and heat. Store in original container with closed lid, away from incompatible materials such as strong acids.

SHELF LIFE: 1 year from manufacture

CODE: ENV-329

DIN 02510502

AVAILABLE IN: 1 L, 4 L, 20 L

## APPLICATIONS

Floors, counter tops,

bathrooms,

kitchens, vehicles,

mirrors, stoves, toilets,

sinks, fridges

## PRECAUTIONS

### Warning:

Causes eye and skin irritation. Do not get in eyes, on skin or on clothing.

Combustible liquid. In case of fire: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide.

Wear eye protection and protective gloves when handling.

Wash thoroughly with soap and water after handling.

Keep away from heat, hot surfaces, sparks, open flames and other ignition sources.

No smoking.

## FIRST AID

**IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

**If eye irritation persists:** Get medical help.

**If on skin or clothing:** Take off contaminated clothing. Flush with cool water. Wash with soap and water. Obtain medical attention if irritation persists.

**If swallowed:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

**If inhaled:** Move person to fresh air. If person is not breathing, call 911 then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.
